

**DONATION FORM**

"I donate to Core because I can see where my donation goes and how it supports the children and families that are part of this incredible model. Core is the only non-profit that I have found that looks at every aspect of a child and their families and is willing to put in the work to ensure that the cycle of poverty is broken. I know that the money I give will go towards the mission of Core and will change lives for the better." - Stanley Tomchin
